Week 1 to 4 – (Seniors) Grade 5 to Grade 7 @ \$600 per week (Afternoon Session)

Discover our stimulating and challenging junior tennis camps, catering to various age groups and skill levels. These engaging holiday sessions keep kids actively engaged, fostering a love for tennis through three-hour daily sessions. Participants develop tennis skills while having a blast, embracing teamwork and resilience to navigate challenges. Our well-tested curriculum ensures age-appropriate drills and games, shaping tennis enthusiasts for a lifelong journey in the sport.

Gymnastics Clinic

Week 1,2 and 4 – K1 to Grade 12 @ \$700 per week (Morning Session)

Calling out to all the super energetic students ! If you would like to have some fun this holiday while developing body strength, coordination, flexibility and balance then our gymnastics clinic will be an excellent choice!

Gymnasts will start each morning with stretching and movements for floor and beam activities.

If you are ready for the challenge, come join us for this exciting gymnastics clinic!

Arty Crafty: Animal Kingdom

Week 4 – K1 to Grade 1 @ \$500 per week (Morning Session)

Campers will embark on an exciting journey through the Animal Kingdom this week! From the mighty creatures of prehistoric times to the fascinating wildlife of today, we'll explore the evolution of animals and their incredible habitats. With a series of hands-on activities, campers will become young zoologists and explorers—uncovering ancient animal mysteries, learning about extinct and endangered species, and discovering the wonders of the natural world. Get ready to step into the wild and explore the amazing creatures that have roamed the Earth throughout history!

Arty Crafty: Galaxy Explorer

Week 3 – K1 to Grade 1 @ \$500 per week (Morning Session)

Week 3 – Grade 2 to Grade 5 @ \$500 per week (Afternoon Session)

Blast off into a universe of creativity at our Galaxy Explorer Camp! Designed for young aspiring astronauts and artists, this camp combines the wonders of space exploration with imaginative scientific and artistic expression. Over the course of the week, campers will embark on an intergalactic journey, creating unique projects that reflect the beauty and mystery of the cosmos. Join us for an unforgettable week at the Galaxy Explorer Camp, where imagination and science collide! Campers will leave not only with a collection of stellar science experiments and arts but also a deeper appreciation for the wonders of the universe.

Multi Activity

Week 1 and 2 – K1 to Grade 4 @ \$600 per week (Morning Session)

Gear up for the ultimate summer packed with action, fun, and discovery! Get ready for an action-packed summer with exciting sports and games! Children will create their own DIY kites, sports medals and many more, bringing their favourite summer activities to life through crafts. This theme is perfect for little athletes and adventurers. Let's celebrate the spirit of summer with creativity and movement!

Future City Design

Week 3 – K2 to Grade 3 @ \$500 per week (Morning Session)

What if your child could redesign the world? At this 5-day holiday camp, children become real-life town planners and creative builders. They'll dream up future cities, solve real challenges, and bring their ideas to life - guided by design thinking and their own imagination.

Lego Robotics - Zootopia

Week 3 – Grade 1 to Grade 6 @ \$500 per week (Morning and Afternoon Session)

Step into the vibrant world of Zootopia with our LEGO Robotics class, where young builders bring the movie to life through creative engineering! Students will design and program their own animal-themed robots. Through hands-on projects, children will learn basic robotics and coding principles while exploring theme of friendship, problem-solving and perseverance – just like the character in Zootopia.

Lego Robotics - Smart City

Week 4 – Grade 1 to Grade 6 @ \$500 per week (Morning and Afternoon Session)

LEGO Robotics Smart City Builders invites young innovators to design the cities of tomorrow! Using LEGO robotics kits, children will build and program smart city elements. This hands-on journey through urban technology nurtures problem-solving skills and shows how STEM makes our world smarter, one brick at a time!

Galaxy War

Week 1 – Grade 1 to Grade 6 @ \$500 per week (Morning and Afternoon Session)

Embark on an intergalactic adventure with our Galaxy Wars class! Designed for young space explorers, this themed program combines robotics, coding, and creative storytelling. Students will build and program their own cosmic robots – like asteroid miners, alien explorers or spaceship defenders using LEGO Robotics kits.

Fun with Flying and Drones

Week 1 to 4 – K2 to Grade 6 @ \$500 per week (Morning Session)

A fun filled enrichment program to inspire the aviators of the future. Participants will learn about the history of aviation from the Wright Brothers, its many pioneers, concepts of timeline and the development of flight through the ages – from the myths and folklore to practical flying.

Soccer

Week 1 and 2 – K2 to Grade 5 @ \$600 per week (Morning Session)

Get ready to be your team's protector with our Defensive Dynamo soccer program! In this fun and exciting training, young players will learn how to stop opponents, win the ball and protect the goal like a true champion.

Junior Archeology

Week 1 – K1 to Grade 5 @ \$500 per week (Morning Session)

Campers will be exposed to some world history this week. We'll be going right back to the prehistoric era and moving through the time of ancient empires before returning to the modern civilisations we see today. With a series of hands-on activities to look forward to, campers will be historians and archaeologists who will be busy excavating artifacts and prehistoric bones as well as learning about the arts of the ancient past! Campers will also learn about the history of their home countries to form a better understanding of the world they live in today. Come and delve into the past with us!

Eco Explorer

Week 4 – K1 to Grade 5 @ \$500 per week (Afternoon Session)

Eco Explorer Camp is designed for young adventurers who love the outdoors, sustainability, and hands-on challenges. Campers will develop teamwork, problem-solving skills, and a deeper appreciation for nature—all while having fun and making lifelong memories!

Superhero Camp (STEAM)

Week 2 and 4 – Grade 1 to Grade 5 @ \$450 per week (Morning Session)

Unleash your child's inner hero with a camp full of hands-on science! In this 5-day adventure, students will explore their superpowers through exciting experiments, from creating "super goo" for strength to crafting invisible ink messages. Each day dives into a new theme, like speed, invisibility, and weather powers, where campers learn through science-based activities. With daily discoveries, team challenges, and a grand superhero graduation, this camp is perfect for young scientists ready to experiment, imagine, and become real-life heroes!

3D City Scapes Camp

Week 3 – Grade 3 to Grade 5 @ \$500 per week (Afternoon Session)

Join us for an exciting city planning adventure, where you'll get to design and build your very own mini city! In this hands-on activity, students will explore the fundamentals of city planning, architecture, transportation, municipal services, and landmarks, gaining insight into how cities function and grow. They will also discover the importance of renewable energy and green solutions in creating sustainable urban spaces. Through creativity, teamwork, and problem-solving, students will build their own city models, incorporating eco-friendly innovations such as renewable energy sources, green spaces, and smart infrastructure. Let's design the cities of the future—smart, green, and full of possibilities!

Culinary Adventure

Week 1 to 4 – Grade 1 to Grade 12 @ \$650 per week (Morning and Afternoon Session)

Embark on a culinary and baking adventure! Our weekly camps offer a variety of hands-on experiences and learning, as kids create delicious treats while mastering essential kitchen skills. From handcrafting pastas to decorating cupcakes, they will savour the sweet taste of accomplishment. Do not miss this chance for them to cook up memories, elevate teamwork, and maybe discover a Junior Master Chef within!

Paddle Sports

Week 1 to 4 – Grade 5 to Grade 12 @ \$650 per week (Morning Session)

This mixed paddling sports course presents an opportunity for exposure to multiple paddle sports disciplines. Not limited to Stand Up Paddling boarding (SUP) on flat water days and kayaking in all waters, the interchangeable skills learned between the paddle disciplines open up unique opportunities to explore Singapore's coastline and network of canals and untouched waterways.

Swimming + Fun in Motion

Week 1 to 4 – K1 to Grade 8 @ \$300 per week (Morning Session)

Learn to swim and have fun in motion! Swimming is a critical life skill, and our program offers a great opportunity to learn while having fun. Our program focuses on building water confidence, fundamental movement skills, and introducing four different strokes (Front crawl, Backstroke, Breaststroke, and Butterfly). Develop water-safe behavior and proper techniques while enjoying a blend of swimming and Fun in Motion activities.

Note: 1 hour of swimming and 2 hours of other fun activities.

Parkour

Week 1 to 4 – Grade 3 to Grade 8 @ \$600 per week (Morning Session and Afternoon Session)

Our Parkour curriculum aims to provide students with the knowledge of a variety of movements which includes vaulting, running, jumping, climbing, landing, rolling, crawling, swinging. These skills will help them overcome the physical obstacles in an efficient manner in the way they see fit. Apart from the physical aspect and benefits of Parkour, students will be encouraged and guided upon the importance of a strong body and mental approach towards learning in Parkour. We aim to provide a challenging and fun environment for them to learn Parkour.

Inline Skating

Week 3 to 4 – K1 to Grade 8 @ \$550 per week (Afternoon Session)

Roll into fun this summer with our Inline Skating Summer Camp! Join our expert coaches for an action-packed adventure where you'll learn new skills, make friends, and stay active. Our interactive lessons and games are tailored to all skill levels, from beginner to advanced. Improve your balance, coordination, and confidence while having a blast. Don't miss out! Sign up now and experience the thrill of inline skating.

Badminton

Week 1 to 4 – Grade 1 to Grade 12 @ \$600 per week (Morning Session and Afternoon Session)

Discover the basics of the sport in a friendly environment while making new friends through ice-breaking activities. Dive into fundamental skill training, enjoy team bonding games, and develop leadership skills through fun challenges. Whether you're new to badminton or looking to brush up on your skills, our program offers a fun-paced learning experience that fosters camaraderie and personal growth.
